I know you each have a dream that the Lord has put on your heart. It's there for a reason! The Lord created us to do great and mighty things and those who persevere in prayer and faith will reach those goals. Begin striving for your dreams today!

Called To Do Great and Mighty Things...But What Do I Do Today?

Did you know that God wants us to get stirred up and excited to do great things for Him? When we get stirred up and when we have faith that God will use us in some way for the sake of others, then we'll begin to pay attention to the leading of God's Holy Spirit. Then we'll begin to take risks born out of a heart motivated by God's love. **Jeremiah 33:3** says, **"Call to me and I will answer you and show you great and mighty things you do not know."**

I think most Christians have surely been stirred up at on time or another to do great things for God. That's a good thing! We are to stir up and provoke one another to do good. We read in **2 Tim. 1:6**, **"Therefore I remind you to stir up the gift of God which is in you through the laying on of my hands."** And in **Hebrews 10:24** **"Think of ways to stir up and encourage one another to outbursts of love and good deeds."**

So, are you called to do great and mighty things, but instead find yourself thinking, "What do I do today?"

WHAT DO YOU DO... WHAT DO YOU DREAM ABOUT DOING....WHAT ABOUT YOU.... AND YOU?

If you had any idea of the power of God that is at work in you trying to get out, you'd be bolder and take more risks. Am I serious when I say that? What does God's word say about this? **Eph. 3:20** says, **"Now glory be to God! By His mighty power at work within us, He is able to accomplish infinitely more than we would ever dare to ask or hope."** The power of God is mighty within you.

So tonight and the end of the old you and the beginning of the new you, filled with the Holy Spirit. The Bible says God's Word is **"quick and powerful"**. Bringing the love of God to meet someone's need is just one way **"great and mighty things"** get done. **Just simple acts of love and kindness makes the headlines in God's Daily Press.** And that's the only headlines we should be worried about making.
